Supplemental Information Disclosure Statement
(Under 37 C.F.R. § 1.97)

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

Further to the Information Disclosure Statement filed on July 13, 2005, it is noted that a Certification under 37 C.F.R. 1.97(e) was omitted from that Statement. This was due to the fact that Applicants mistakenly believed that the Information Disclosure Statement was being filed before a first Office Action on the merits – which turned out to be incorrect. The Information Disclosure Statement filed on July 13, 2005 was based on a United Kingdom Search Report dated April 25, 2005. Since the Information Disclosure Statement was submitted on July 13, 2005, the undersigned hereby certifies that no item of information contained in the July 13, 2005 Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application more than three months prior to the filing of that Information Disclosure Statement.

Applicant(s): Fritz HOSEL et al.
Application No.: 10/602,046

In view of the above, it is respectfully requested that the publications listed in the Information Disclosure Statement filed July 13, 2005 be considered and made of record.

In view of the above certification, it is not believed necessary to pay the official fee under 37 C.F.R. 1.17(p). However, if it is determined that such a fee is required, authorization is given to charge our Deposit Account No. 22-0261 and to notify the undersigned accordingly.

Respectfully submitted,

Date: 10/07/2005
